LEVOLOR InMotion:
Siri Quick Start Guide

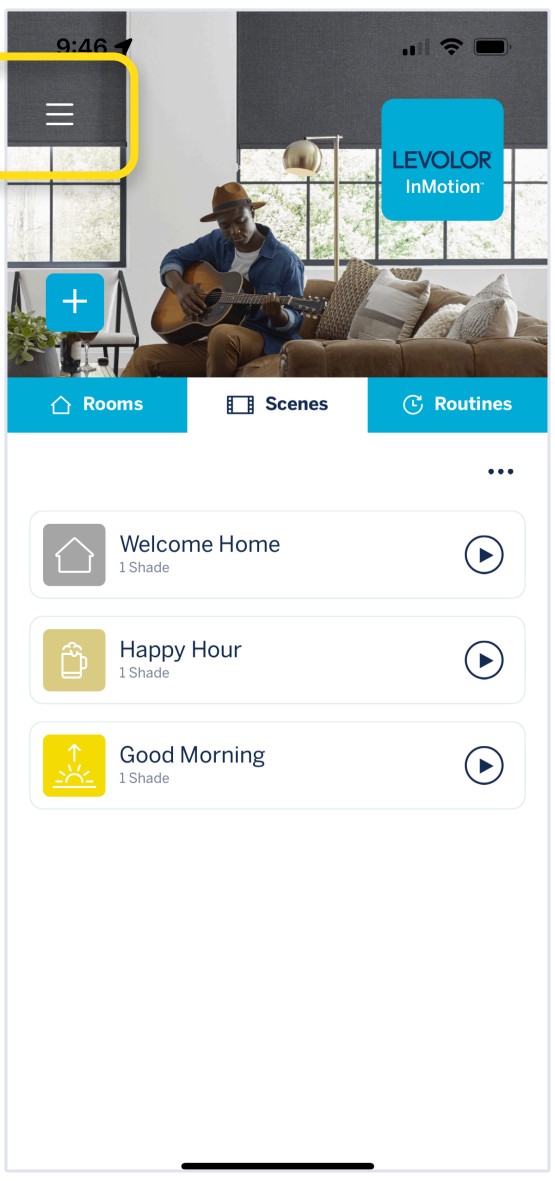

Getting Started
In order to add a shortcut to Siri to run InMotion with your voice, you need:

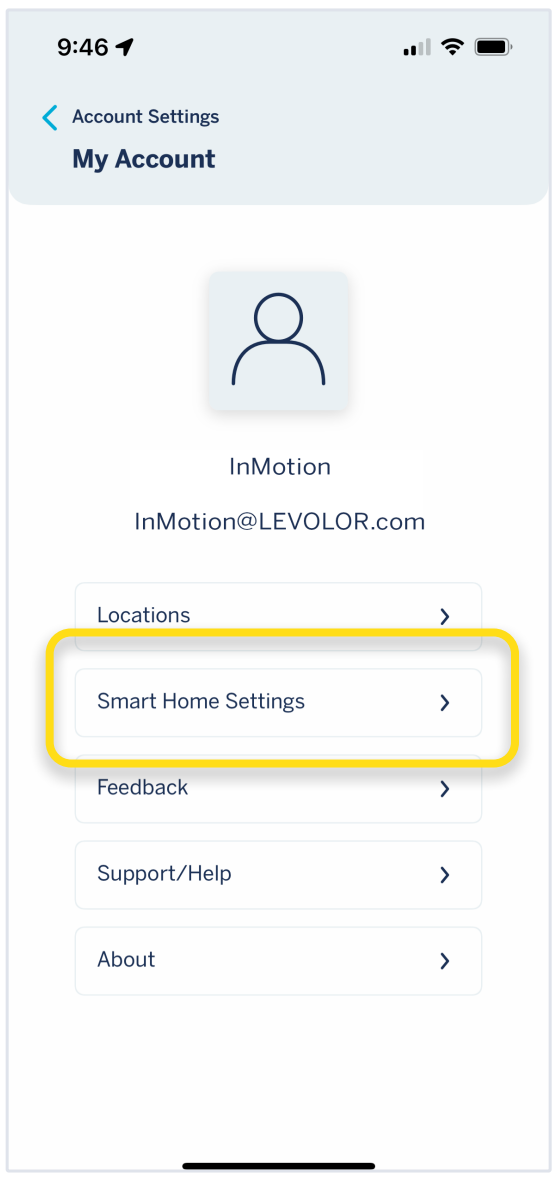

- LEVOLOR InMotion account and hub
- Apple iOS Device

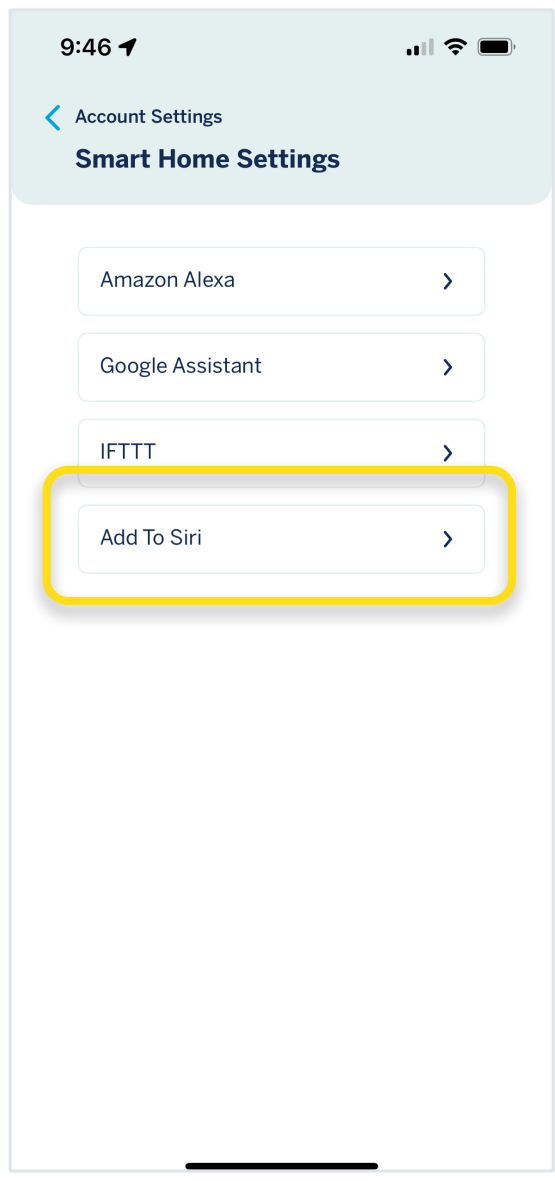

Add to Siri

1 In the InMotion app, tap the icon in the top left corner to open the main menu.

2 Select "Smart Home Settings" then "Add To Siri."

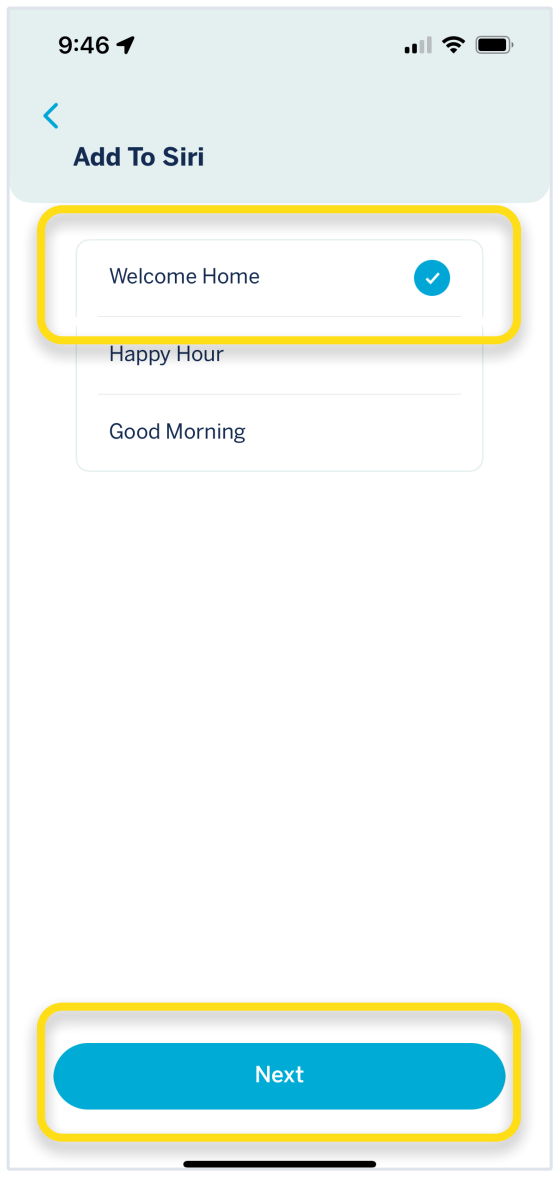

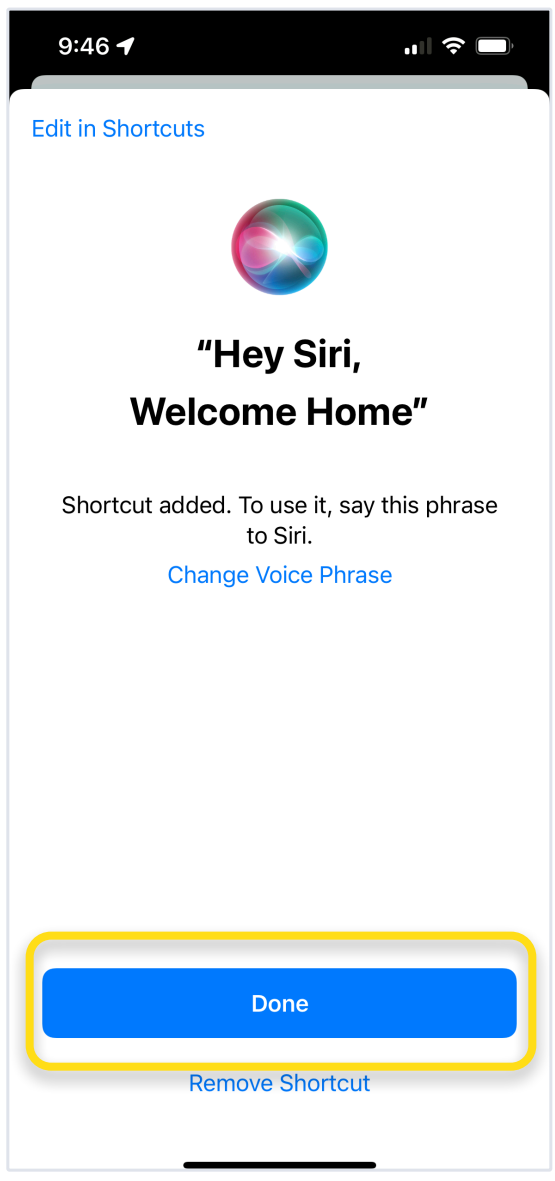

3 Choose the Scene you would like to add to Siri, then tap "Next". A shortcut added confirmation and instructions for use will appear.

Run a shortcut by asking Siri or tapping a suggestion on the lock screen.
