LEVOLOR® InMotion™:
IFTTT Quick Start Guide

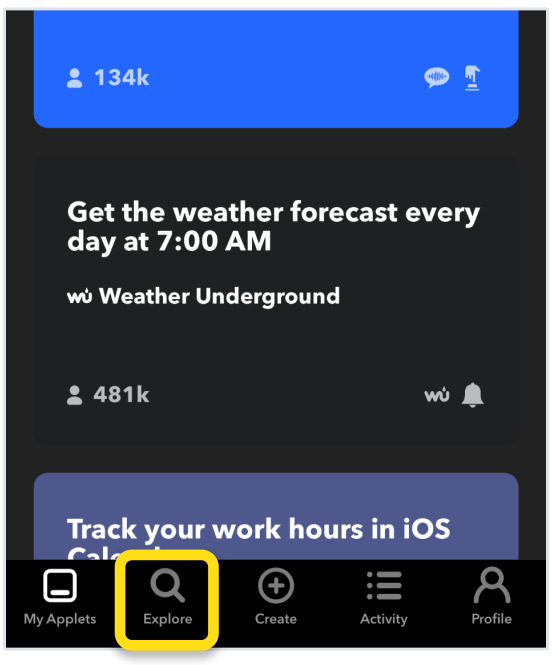

Getting Started

In order to take advantage of IFTTT with your InMotion™ system, you need:

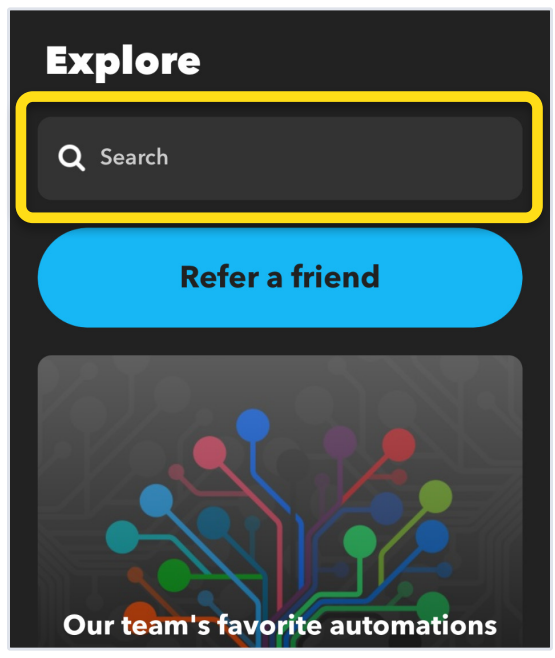

- LEVOLOR® InMotion™ account and hub
- IFTTT app and account

Set up with IFTTT

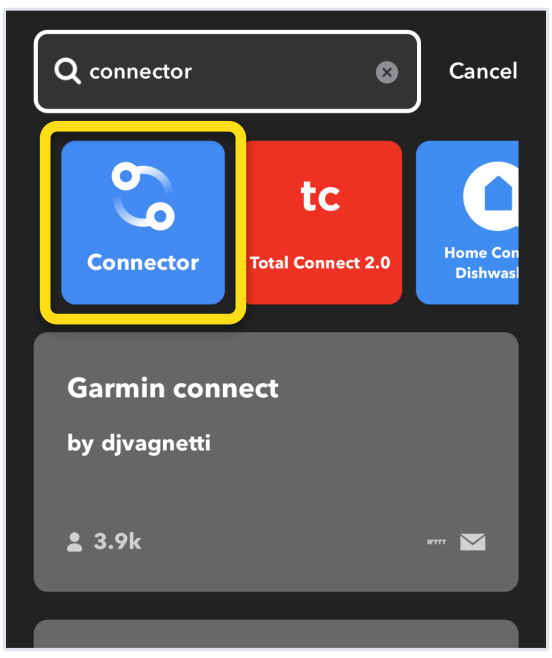

1 Open the IFTTT app on your mobile device and tap “Explore”.

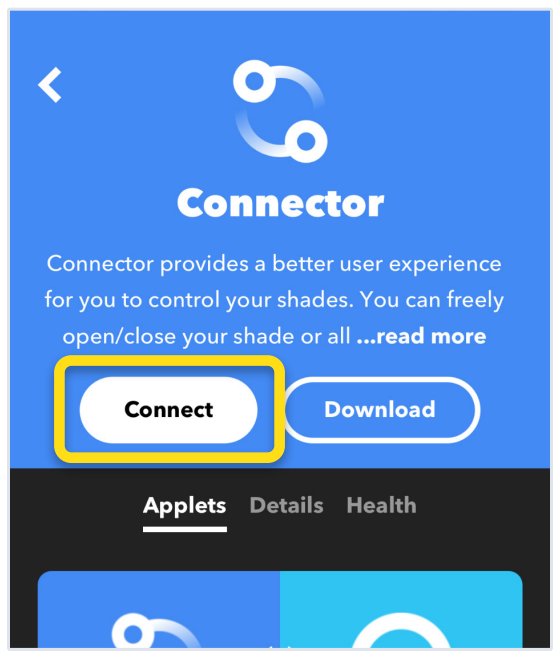

2 Search for “Connector”.

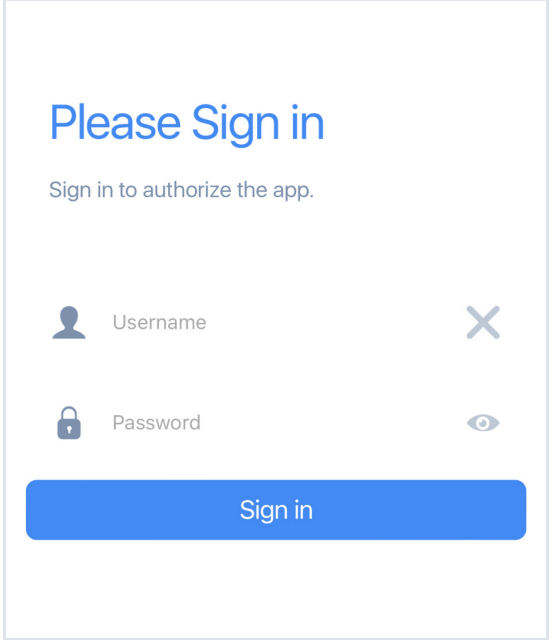

3 Choose the blue Connector icon under the search bar.

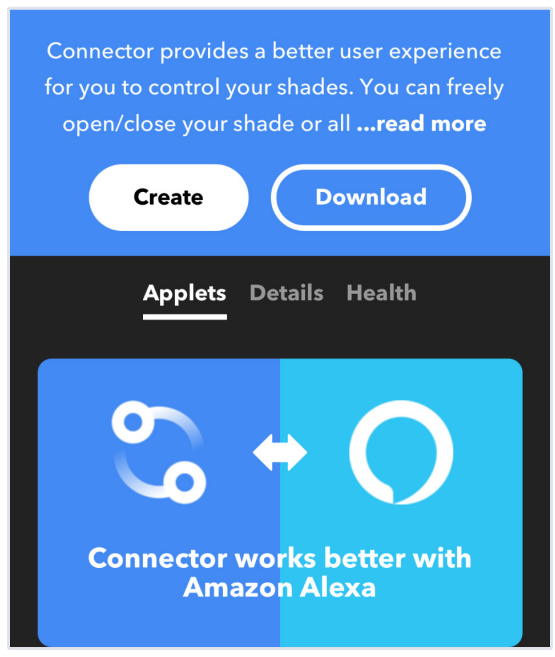

4 Tap “Connect” to connect to your InMotion™ account.

5 Sign in using your InMotion™ app login.

6 Choose one of the preset applets or create your own.
